WORK EXPERIENCE

Scanning technician
iomarket software services pvt ltd

01/2022 - Present   *Thrissur*

io-market India is a subsidiary of io-market AG in Europe. It is specialized in the creation of business applications.

Achievements/Tasks

- **Faster Invoice Processing:** *Smart Soft Invoices automates the process of scanning invoices, extracting data, and exporting it to accounting systems. This can significantly reduce the time it takes a technician to process a single invoice, freeing them up for other tasks.*
- Developed a new workflow for handling oversized or fragile documents, improving efficiency for the entire team.
- Implemented a new naming convention for scanned documents, improving search ability and organisation.
